GoGreen Plus														GoGreen Plus in Sweden is a value-added service to a DHL shipment contributing to decarbonization measures within DHL's logistics network. By using alternative fuels and/or technologies DHL reduces the usage of fossil fuels in the mode of transport used for the GoGreen Plus shipment. This does not necessarily mean that the specific shipment is physically transported with the assets using these fuels or technologies. Further information, e.g. on concrete decarbonization measures is available at Sustainability - DHL Freight - Sweden) Refers to Parcel Connect Export. Price 4 SEK per shipment for DHL Parcel Return Connect.) See current tariffs at www.dhl.se/freight
